### **Becky Bench Dedication: Joneen Lannon**

- Becky Carpenter was a parent of two Kenneth Murphy students: Patrick & Katelyn. Both kids are current students at Beach Park Middle School. Becky was one of our original KMPTO members. Becky was more than just a KMPTO member, she was an integral part of our school. She did all her amazing work for our school while going through her intense cancer treatments. She was always thinking of & doing for her children & others. She was always a giver. She lost her battle to cancer on September 9, 2014.
- Becky's Buddy Bench is a bench where a student could go if they are feeling left out or uncomfortable while out on the playground. Teachers will be helping other students to be on the look out for any student who is sitting on the bench and challenge them to invite the student to play.
- Joneen Lannon and Steven Bigden-Russell are the co chair people for this event
